Men's Lacrosse All-Conference Teams

The MASCAC Office has released the men's lacrosse All-Conference teams for 2009 as selected by conference coaches.

Alex Kajencki of FDU-Florham has been awarded Player of the Year honors. Widener's Johnny Casey has been selected as Rookie of the Year and Pat Scarpello of FDU-Florham has been named Coach of the Year.

Kajencki ended the regular season with a 6.98 goals against average, 155 saves and a 12-4 record. He earned Player of the Week honors in the MAC on April 13th. Kajencki and his teammates look to continue on their season and establish themselves in NCAA play.

Casey led the Pride with 40 goals and 10 assists in his rookie season, with 26 of those goals coming in conference play. Casey and his teammates came up one goal short in the MAC title game where he scored one goal and assisted on another.

Scarpello is in his eighth season as the Devil's head coach. He currently has the Devils on a streak of seven straight appearances in the MAC Tournament. Scarpello will lead his team into NCAA Tournament play as they look to build on their success in the MAC Tournament.
